

Hong Kong Baptist University Tsimshatsui Chinese Medicine Clinic

About the Clinic and its Professional Services

Hong Kong Baptist University Tsimshatsui Chinese Medicine Clinic was opened in April 1999. Located on the eleventh floor of Mass Resources Development Building in Tsimshatsui, the clinic comprises six consultation rooms, one treatment region, one Chinese medicine pharmacy room and one modernized herbal brewing room. A wide range of quality Chinese medicine is available.

The design of the clinic is very on a par with that of the western medicine clinics. Consultations of the patients are conducted in a private and comfortable consultation rooms. Professional Chinese medicine treatments are carried out in private treatment rooms. In addition to general consultation services, the clinic provides a broad spectrum of specialty services covering CM acupuncture, CM digestive diseases, rheumatology, CM orthopedics & traumatology, CM ENT, CM gynecology, CM paediatrics, CM surgery & dermatology, etc.
