

Haven of Hope – Hong Kong Baptist University Chinese Medicine Specialty Clinic

About the Clinic and its Professional Services

Hong Kong Baptist University has collaborated with Haven of Hope Christian Service to open its 8th affiliated clinic of the School of Chinese Medicine named “Haven of Hope – Hong Kong Baptist University Chinese Medicine Specialty Clinic” at prime location – Causeway Bay on 19th November, 2012.

The new clinic comprises six private consultation rooms, two well-equipped treatment rooms, one herb storage room with constant temperature and humidity control, modernized CM pharmacy room and herbal brewing room to provide more convenient and efficient services. Equipped with the computerized management system for patient record, pharmacy and herb storage, we endeavour in setting a model standard for modern Chinese medicine clinics and quality medical services.

In addition to general consultation services, the clinic provides a broad spectrum of specialty services covering CM internal disease, CM gerontology, CM dermatology, CM oncology, Acupuncture, Traumatology, CM orthopedics, CM gynaecology, CM paediatrics, and so on.
